Term 3 2024

We have had an exciting and busy start to Term 3 with lot's going on around the barn as well as offsite to various competitions and training days.

We started off the term with some Olympics fun, where the girls dressed up for lessons in honour of our Olympians. Was great to see horses and riders all dressed up and strutting their stuff.

Northside Training Day –

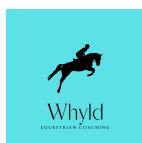

Poppy in her very first competition on Sebastian, Abi on Danny, Mira on Tolly and Alison on Archie attended the

Northside Training Day at the beginning of Term, It was a great day for all riders in a calm environment to help build their confidence in the competition ring.

Waratah show –

Charlotte and RJ headed off to the Waratah show at Sydney International Equestrian Centre where Charlotte competed in the 90cm and 1m jumping classed, with 2 great rounds RJ finished 6th in 90cm.

Rj and Charlotte are going from strength to strength in the jumping ring and loving every minute out there.

Foxy – Farewell

We farewelled Foxy to his new forever home, a lovely young rider who is very excited to start her journey with Foxy. They are a great pair and we look forward to watching them develop together.

We have loved having Foxy part of WEC and he will be missed with his sweet gentle nature around the barn.

Jump club – Spring Comp

Alexa on Donny, Charlotte on Rj and Georgie on Reg headed to the Sydney Jump Club Spring Competition.

With some windy and challenging conditions, it put all our horses and riders to the test. Some great learning experiences had, and some even better results!!! Charlotte finished 6th in the 1m, Georgie finished 5th in the 90cm both with great rounds.

And a big shout out to Alexa who won the 55cm and 65cm classes coming home with a rug! Not only did she get the win she received a saddle pad as a prize for such amazing manners and riding in the ring.

Well done Alexa we are so proud.

Charlotte SSTA Assessor -

We are very proud to announce Charlotte has passed her **Specific Skills Trainer and Assessor** certificate. This means for anyone who has an interest in working with horses and want to get certified in Horse management and riding work through their levels, Charlotte is now approved to help them through the process and certify them for their certificates.

This is an exciting step for Charlotte to now not only coach riding skills, but work on mentoring.
