Term 4 2024

What a fantastic start to the final term of the year! Whyld Equestrian Coaching is bustling with energy and excitement as we make positive changes to benefit our riders and horses. One key update is our revised schedule, which allows us to support weekend competitions and lease opportunities while keeping our ponies comfortable, especially on those hot summer days.

Northside Show Jumping

- **Athena & Kiabe:** Showed incredible resilience, learning from their first round and stepping up to claim 3rd place in the 50cm. A great achievement!
- **Lucy & Danny:** A fantastic team debut in the 60cm with a flawless clear round.
- **Alexa & Wizard:** Alexa took on a new challenge with Wizard, effortlessly clearing 60cm and 70cm rounds to bring home 1st place in both! Congratulations to Alexa and her family on their first pony. We're thrilled to welcome Wizard to our yard!

We hosted a wonderful dressage clinic with Deb Mills, where riders **Chloe, Hannah, Alison, Bri, Ali, and Charlotte** refined their tests and strengthened their bonds with their horses. This was a great preparation for upcoming shows!

Alexa and Donny took on their first solo interschool trip to Tamworth’s impressive ISHE event. Alexa and Donny had some great rounds and PB’s. Congratulations on a successful experience in the big arenas – we’re proud of you!
